SUBJECT INDEX TO VOLUME XX

(B.B.) = Bookshelf Browsing; (Bi.B.) = Biographical Brevities; (E.) = Editorial

Abscess, acute extradural, with compression of cord, 763
of liver, 683
chronic form, 672
Adenocarcinoma, papillary intracystic, of prostate and massive benign prostatic cyst, 51
Adynamic ileus, 378
Anastomosis, intestinal, with simple aseptic technique, 341
Anesthesia, segmental peridural spinal, 107
Aneurysm, circoid, 128
Annular stricture of rectum and anus, 28
Anus, rectum and, annular stricture of, 28
Appendicitis, analysis of complications and deaths occurring in, 772
torsion of omentum simulating, 97
Appendix, intussusception of, 95
Arachnidism, 758
Arteriovenous fistula of left subclavian vessels, traumatic, extreme cardiac decompensation following, 451

"Back, he's got a," 77
Biographical Brevities:
Henry Jacob Bigelow, 159
Bladder, carcinoma of, cystectomy for, 254
tumor, 54
value of ureteral re-implantation in, 8
Bone growth and regeneration, effects of roentgen rays on, 599
repair, effect of lumbar ganglionectomy on, 70
Book Reviews:
Chirurgie der Wirbelsäule (Gold), 168
Diseases of the heart (Lewis), 167
Duodenum: its structure and function, its diseases and their medical and surgical treatment (Kellogg), 167
Early diagnosis of the acute abdomen (Cope), 167
Gynäkologische Operationslehre (Halban), 168
Management of abdominal operations (Maingot), 168
Section on anaesthetics, Proceedings of the Royal Society of Medicine (Thursfield and Joly), 168
Textbook of surgery (Homans), 168
Bookshelf Browsing:
Lest we forget, 160
Breast, cancer of, end results in treatment of, by radical surgery combined with preoperative and postoperative irradiation, 405
Burns, 33
tannic acid, 38
Calculi, ureteral, 214

Cancer of breast, end results in treatment of, by radical surgery combined with preoperative and postoperative irradiation, 405
is curable, 444
inoperable, of rectum and lower sigmoid, precolostomy for, 355
Carcinoma, advanced mammary, palliation in, 615
of bladder, cystectomy for, 254
Cardia, congenital stenosis of, 319
Cardiac decompensation, extreme, following traumatic arteriovenous fistula of left subclavian vessels, 451
Cesarean section, low or cervical, scar of, 1
Cholangitis, acute suppurative, 666
Chorioepithelioma of uterus, 638
Circoid aneurysm, 128
Collapse therapy, selective, end-results in pulmonary tuberculosis with, 737
Colon cases, eight, 86
Complications and deaths in appendicitis, analysis of, 772
Congenital stenosis of cardia, 319
vesical neck obstruction, 64
Cord, compression of, acute extradural abscess with, 763
Cyst, massive benign prostatic, papillary intracystic adenocarcinoma of prostate and, 51
of umbilicus, small strangulated, 149
Cystectomy for carcinoma of bladder, 254

Deaths and complications in appendicitis, analysis of, 772
Diverticulosis of duodenum with report of case, 328
Duodenum, diverticulosis of, with report of case, 328

Ectopic pregnancy, recurrent, 633
Editorial, 201
Evaluation of results of treatment, 157
Tradition of The Southern Surgical Association, 808
Endocrine influence in production of prostatic hypertrophy and method for its control, 230
Epiploitis, primary acute, 45
Evaluation of results of treatment (E.), 157
Extradural abscess, acute, with compression of cord, 763

Femur, fractures of shaft of, 542
Fistula, traumatic arteriovenous, of left subclavian vessels, extreme cardiac decompensation following, 451
Fractures of shaft of femur, 542
Fusion, surgical, of tuberculous hips in children, 555

Ganglionectomy, lumbar, effect of, on repair of bone, 70
Gastric secretion, acid, suppression of, by means of jejunostomy, 99
Genitourinary system, direct application of ultraviolet ray to, 153
Gland, parathyroid, tumors of, 298
Goiter, peripheral nerve symptoms in, 315

Heart wounds, 515
Hemolytic jaundice, 722
Herniotomy, inguinal, 122
"He's got a back," 77
Hips, tuberculous, in children, surgical fusion of, 555
Hysterectomy, some phases of, 655

Ileus, adynamic, 378
Infections, puerperal, revaluation of prevailing theories and principles of, 131
Inguinal herniotomy, 122
Injuries, kidney, pyelography in, 40
Intestinal anastomosis with simple aseptic technique, 341
obstruction, acute, 169, 475, 811
Intussusception of appendix, 95
Irradiation, preoperative and postoperative, end results in treatment of cancer of breast by radical surgery combined with, 405

Jaundice, hemolytic, 722
Jejunostomy, total suppression of acid gastric secretion by means of, 99

Kidney injuries, pyelography in, 40

Lest we forget (B.B.), 160
Liver abscess, 683
chronic form, 672
Lumbar ganglionectomy, effect of, on repair of bone, 70

Malaria and surgical diseases, 800
Mammary carcinoma, advanced, palliation in, 615
Ménière's disease, diagnosis and treatment, 693

Nerve, peripheral, symptoms in goiter, 315
Neuralgia, trigeminal, surgical treatment of, 699

Obstruction, acute intestinal, 169, 475, 811
congenital vesical neck, 64
Omentum, torsion of, simulating appendicitis, 97
Operation for undescended testicle, ideal, and necessity for the operation, 223
Osteogenic sarcoma, 575

Palliation in advanced mammary carcinoma, 615
Parathyroid gland, tumors of, 298
Peptic ulcer, incidence of, and its complications, 102
Peripheral nerve symptoms in goiter, 315
Pre-colostomy for inoperable cancer of rectum and lower sigmoid, 355
Pregnancy, recurrent ectopic, 633
Presidential address: Surgery in its relation to society, 204
Preventive surgery, 747
Prolapse of rectum, irreducible, method of treating, 359
Prostate, papillary intracystic adenocarcinoma of, and massive benign prostatic cyst, 51
Prostatic hypertrophy, endocrine influence in, and method for its control, 230
Puerperal infections, revaluation of prevailing theories and principles of, 131
Pulmonary tuberculosis, end-results with selective collapse therapy in, 737
Pyelography in injuries to kidney, 40

Rectum and anus, annular stricture of, 28
irreducible prolapse of, method of treating, 359
Rectum and lower sigmoid, pre-colostomy for inoperable cancer of, 355
Roentgen rays, effects of, on bone growth and regeneration, 599

Sarcoma, osteogenic, 575
Scar of low or cervical cesarean section, 1
Segmental peridural spinal anesthesia, 107
Seton, silk, simple technique for inserting, 119
Sigmoid, lower, and rectum, pre-colostomy for inoperable cancer of, 355
Society, surgery in its relations to, presidential address, 204
Spinal anesthesia, segmental peridural, 107
Spleen, tuberculosis of, chronic primary, 707
Stenosis of cardia, congenital, 319
Stomach, syphilis of, 366
Stricture, annular, of rectum and anus, 28
Suppression of acid gastric secretion by means of jejunostomy, 99
Surgery, preventive, 747
radical, combined with preoperative and postoperative irradiation, end results in treatment of cancer of breast by, 405
in its relation to society, presidential address, 204
Surgical fusion of tuberculous hips in children, 555
Syphilis of stomach, 366

Tannic acid, 38
Testicle, undescended, ideal operation for, and necessity for the operation, 223
Torsion of omentum simulating appendicitis, 97
Tradition of The Southern Surgical Association (E.), 808
Trigeminal neuralgia, surgical treatment of, 699
Tuberculosis, pulmonary, end-results with selective collapse therapy in, 737
of spleen, chronic primary, 707
Tuberculous hips in children, surgical fusion of, 555
Tumor, bladder, 54
of parathyroid gland, 298

Ulcer, peptic, incidence of, and its complications, 102
Ultraviolet ray, direct application of, to genitourinary system, 153
Umbilicus, small strangulated cyst of, 149
Ureteral calculi, 214
re-implantation in bladder, value of, 8
Uterus, chorioepithelioma of, 638

Vesical neck obstruction, congenital, 64

Wounds of heart, 515
